Examiner's Statement

Claims 19-36 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

The Examiner found Applicant's arguments filed on June 11, 2009 persuasive, and therefore, considers that the references of the prior art of record fail to teach, or suggest any obvious combination of the limitations described by the instant invention. In addition, the objections of the specification and drawings and the rejection of claims 19 and 35 under 35 USC §112, first paragraph have been withdrawn.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sonji Turner whose telephone number is 571-272-1203. The examiner can normally be reached on Monday - Friday, 10:00 am – 2:00 pm (EST).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Duane Smith can be reached on 571-272-1166. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
